Yellow Jacket Family:

The Haynes Academy International Food and Music Festival is a celebration of the many cultures and traditions of our great school. This event has always been a tremendous success because of your help.

As in the past, we are asking for volunteers to make a cultural food donation. We are looking for authentic food from your country of origin or nationality.

Donations must be able to serve at least 200 small tasting portions. You will need to be able to stay to serve the food and answer questions about your authentic dish to our patrons. The International Food and Music Festival will supply the utensils, chafer racks, heated water trays, and name tents.

However, if you would like to donate a dish but you are unable to attend, please make arrangements for someone to serve the food for you.

**Each family that donates food will receive two complimentary tickets to the event.**

You may sign up below and send to Mr. Totaro in room 16 or sign up on our Google form at the following link:
